# SKETCHUP- MILK CARTON

1. Draw a **rectangle** (square 10 x 10 feet)

2. **Push/Pull** square up into a rectangular prism

3. Use **PENCIL** to draw roof (watch for middle-snap points)
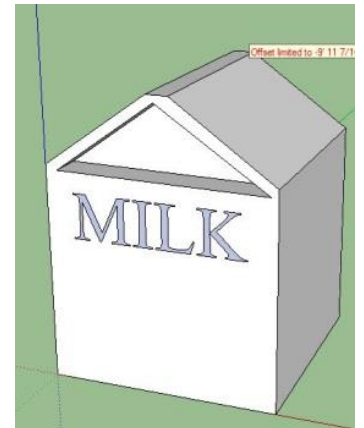

4. **Push/Pull** extra roof parts away towards back

5. Use **PENCIL** to draw triangle INSIDE carton 'roof', PUSH/PULL in a little

6. Use **3D Text** to add word "milk" label
    Uncheck **"extruded** , resize using **SCALE**
Hit **ESCAPE** when done

7. Use **PENCIL** to draw line to cut off roof tip
    PUSH/PULL it away

8. **PUSH/PULL** roof tip up a little

9. Add color with **PAINT BUCKET**
